Prayer of Confession

P: Let us now humbly come before God and confess our sin.

P & C: Almighty God, Your Son Jesus proclaimed that He is the Way, the Truth and the Life. However, we have tried to follow other ways and forsaken you. We have worshiped other gods and attempted to find our own way to You. Instead of following the way of love, we have followed the way of anger and violence. Please forgive us for the sake of Jesus, our Savior.

P: God's promise is sure and certain. If we confess our sin God will forgive us for Jesus' sake. May the Holy Spirit empower us to follow the Way of Jesus.

C: Thanks be to God. Amen.

Prayer Praises and Concerns

Those in nursing and assisted living homes or home-bound:

Mary Lee Erickson, Ruth Gruenig, Laura Johnson, Richard Johnson, Arnie Larson, Caroline Peterson

Please pray for:

- Please keep Arnie Larson and his loved ones in your prayers. Arnie is hospitalized in Platte with pneumonia and is having difficulty breathing. Please pray for Jesus's healing touch to remove the fluid from Arnie's lungs, to take away his cough and congestion, and to restore his strength and energy. Please pray for Arnie & all his loved ones to know the Lord's peace & presence in this trial. Arnie is Deb VanderWerff's father.
- Please pray for Peggy Martin's brother, Garland Olesen, who is hospitalized at the Heart Hospital in Sioux Falls. He is down to 125 pounds, is extremely weak, and is plagued by fluid buildup on his lungs. He has no appetite, has difficulty sleeping, and is trying to find out what is causing this. Please pray for the healing hand of Jesus to be upon him, for the Lord to give his doctors wisdom & discernment in treating him, & for Garland to have peace in this life & the next.
- Please pray for Pr. Dave's nephew, Rob Snoozy, who is undergoing surgery April 24th to free a pinched nerve in his right elbow. The pinched nerve is causing his right hand to atrophy. Please pray the Lord will guide his medical team to perform this procedure flawlessly, & that Rob's recovery & physical therapy will go extremely well. Pray he feels the Lord's presence, peace, & love throughout.
- Please continue to pray for Sue Qualm Davis and her husband, Denny. Sue is now in Encompass, a rehab center in Sioux Falls. Praise God her infection appears to be improving. Please pray it would clear completely so she could receive her hip replacement. Pray for her cracked kneecap on her "good" leg to heal quickly, for her pain to diminish, and for her to soon be on the road to full recovery. Pray Sue, Denny, & their entire family would feel the Lord's touch in all of this.
- Please keep Tom & Mary Espland in your prayers. On April 3rd, Tom had two stents put into arteries, one of which was 90% blocked and the other which was 80% blocked. Please pray for his quick recovery from this procedure and that the increased blood flow would greatly increase his strength and energy levels. Pray also for the Lord to heal his pulmonary fibrosis and for Tom & all his loved ones to know God's comfort & peace.
- Praise God Dick Johnson's third week in hospice care in White Lake has gone well. He is enjoying the residents and feeling at home there and is

displaying great confidence in what Jesus did for him through His death and resurrection.

- Praise God Mike Erickson continues to do well. Thank Him Mike's stomach pain has diminished. Pray it would be gone completely & that God would stabilize his blood sugar levels. Pray for Mike and all his loved ones to know God's close-abiding love & presence throughout.
- Praise God Mary Beth & Larry Kuiper's daughter-in-law, Erica, continues to do well & to feel good. She is now well over halfway through her chemo treatment. Pray against fatigue and loss of energy. Pray for Erica, Mike, & their entire family to feel the Lord's powerful presence, strength, and comfort throughout.
- Praise God Jeanne Kott continues to improve. Please pray for the Lord to bring healing to her sciatica and for her pain to diminish dramatically. Pray also for her sleep to be more restful, and for Jeanne & Dave to feel the Lord's close-abiding healing, comfort, presence, and love in all they do.
- Please keep Alison Dykstra's sister, Julie Pepper, her husband, Matt, and their extended family in your prayers. Pray Julie's pain, and the root cause of it, would be gone in Jesus's name. Pray with the pain gone, she would feel like eating, & gain weight, strength, and energy. Pray Julie and all her loved ones would feel the Lord's close-abiding love, comfort, peace, and joy.
- Praise God Jerry Dykstra's brother-in-law, Rod Berg, just received a very good report. He had a clear scan with no sign of lesions on his brain. Please pray for his continued health and well-being.
- Please continue to pray for Dan Daum's brother, Jim. The ablation surgeries he had recently have done little to diminish his back pain. Please pray for the Lord to sovereignly heal him and give him a new lease on life. Pray he would feel God's hand upon him throughout his recovery and would experience the Lord's love, peace, and joy in a powerful way.
- Please continue to pray for Pastor Mike De Jager of the First Reformed Church in Platte. His last check-up came with an encouraging report. His numbers improved and doctors are optimistic for his future treatments. Please pray he and his loved ones know the Lord's peace & presence throughout this trial.
- Please pray for Calvary Baptist Church in their search to find a Senior Pastor. Pray the Lord would make clear to them the person He has ordained for this job. Pray for Pastor Dave Anderson and his wife, Tricia, to be blessed in their move to Juneau, Alaska.
- Please pray for First Reformed Church in their search for an Associate Pastor to share the workload with Pr. Mike. Pray they would find the Lord's choice and would find him soon.
